

### **Data Collection Sheet**

Prototype: 2

User ID: 01

Date: 07/10/2021

Time: 18:45

Task descriptions	Accomplished	Observations
Record a clip	Yes	
Listen to a recorded clip before posting	No	
Rerecord a clip	No	
Discard a clip before posting	Yes	The user clicked on the redo button, which took them back to the recording page, and from there they pressed the back button to get to the main page.
Add tags to a recorded clip	Yes	At first, the user tried to proceed to posting the clip without adding tags. Observer had to point out that adding tags is mandatory.
Post a recorded clip	Yes	
Find a clip that has certain tags	Yes	
Listen to another user's clip	Yes	The user did not pause at any point although that option was there.
Return to the home screen	Yes
