

Data Collection Sheet

Prototype: 1

User ID: 02

Date: 07/10/2021

Time: 19:10

Task descriptions	Accomplished	Observations
Record a clip	Yes	User seemed a bit confused about how to get to the recording page, but once there, they didn't have any problem with recording.
Listen to a recorded clip before posting	Yes	
Rerecord a clip	No	User was satisfied with initial recording and proceeded to post it.
Discard a clip before posting	Yes	
Add tags to a recorded clip	Yes	User chose only one tag, despite multiple selection being allowed.
Post a recorded clip	Yes	
Find a clip that has certain tags	Yes	User chose only one tag, despite multiple selection being allowed.
Listen to another user's clip	Yes	The user did not pause at any point although that option was there.
Return to the home screen	N/A	For this prototype, this happens automatically once a "Listen" or "Say" task has been completed.
